July 8, 2022

On June 22 the Police Chiefs' Association of Prince George's County held their 2021 Awards Ceremony.

From Berwyn Heights, Corporal Christine Rufino was honored as the Community Service Officer of the Year and Detective Sergeant Scott Krouse was named Investigator of the Year.

Have you seen the new Lake Artemesia Fitness Station? The Walking Club checked it out last week (meets at 8:00 am on M/W/F at Sports Park parking lot; contact berwynheightsfun@gmail.com for more information).

The fitness station is located on the west side of the lake, adjacent to the trail for easy access. You will find a multi-function apparatus with attached shade structures at the center, surrounded by 10 other pieces of fitness equipment that allow for different types of exercises. Benches and sitting boulders will also be provided for users to rest, socialize, or simply just relax and enjoy the views of the lake.

It looks like the benches are yet to be installed, so watch for the final completion and grand opening to be scheduled soon!
